Enjoy your Break

Final Assembly Friday 24th June at 1.30pm
Children Dismissed from Classrooms at 2.30pm

PRINCIPAL’S REPORT

Farewell Sultan and Rayan

I would like to wish Sultan (FW) and Rayan (1/2G) all the best as they move back to the United Arab Emirates. A year has flown by - your positive attitudes and enthusiasm towards everything you do has been a real highlight. Rayan and Sultan you are welcome back any time, perhaps when you are in grades 5 and 6, as you would be a welcome addition to our 2020 school soccer team.

Raising tolerance and understanding

On Tuesday our grade 3/4 students had a special visit from New York resident- Matt Giordano. Diagnosed with Tourette Syndrome at an early age, Matt spoke about the challenges he faced and, through an activity our students participated in, gave them an insight into what it is like to experience tics. Matt’s story is one of perseverance and inspiration, as he promoted awareness for the different abilities and challenges many children face. Matt also performed a drumming exhibition, as he was a lead percussionist with the Rochester Philharmonic Orchestra. For more information about Matt’s inspirational story, visit his website http://drumechoes.org/about.html

A well-deserved break

Can you believe we are half way through the school year? How time flies! I hope all families have an opportunity to spend some quality time together and recharge the batteries during the next two weeks. I would also like to take this opportunity to thank all our amazingly dedicated teachers and educational support staff for their commitment and passion in wanting to make a difference to each child’s academic, social and emotional learning growth. Thank you also to all our parents and guardians for being so supportive and lastly, but certainly not least, congratulations to all our students for the effort they have put in this semester to all aspects of school life. I look forward to seeing you all on Monday 11th July. Parents and guardians please note that our final assembly for the term will be held at 1:30pm in the gym.

Working Bee...many hands make light work

We had a huge turnout for our Working Bee on Saturday as the list of tasks that Andrew Veal had set out were all completed! Thank you so much to all the families that braved the miserable weather, with many new faces in attendance, affirming to me what makes our school so great- a supportive community. One of the many jobs completed was the installation of the Friendship Seat, a concept our Student Voice Ambassadors developed. The seat was installed to help children who can’t find a friend to play with. Our Student Voice Ambassadors will be wearing high-visibility vests next term so they can help children in finding play buddies.
Making the most of your holidays (by Michael Grose)

Australian families are increasingly timestrapped. The busy-ness of life can make it difficult for adults and children to participate in enjoyable activities or just to ‘hang out’ as a family. Do you engage regularly in activities that involve play and laughter or are all your interactions with children of a managerial nature? School holidays offer families a chance to unwind away from the normal routines. They also provide the window of opportunity for parents to spend some enjoyable time with children. There are many theories about promoting healthy parent-child relationships and strengthening families, however it’s easy to overlook a simple, cheap way of forming family relationships – spending enjoyable time together.

American family researcher John DeFrain has found that the happiest childhood memories that adults hold have two common threads. First, childhood happiness always centres on activities experienced together as a family. Second, the most pleasurable childhood times almost always centre on simple, inexpensive activities. During the holidays do something fun and enjoyable with your children. It doesn’t have to be expensive but it should be something different, something fun and something that involves laughter and play. Money can’t buy happiness, but loving family relationships can create it.

Team Holiday

Team Holiday will once again be providing daily holiday programs throughout the term break. We have had nothing but rave reviews and feedback from families who use their service and the prices are very reasonable. For bookings or further information simply visit www.teamholiday.com.au

Election Day Help!

Templestowe Heights Primary is one of the largest polling stations in the region, so with it comes an opportunity every 2-4 years. The Parents & Friends (lead by the amazingly committed and talented Cath and Clare) still require your support on the middle Saturday of the term break. Thank you also for all our parents who will be or have, supplied fresh delights for the cake stall. Information has been sent home with details. This is a fabulous fund raising opportunity. If you can help on the cake stall, 2nd hand toy stall or turning snags, please sign up through the following link www.volunteersignup.org/BLJ8A

Cara our star gymnast!

We have a star gymnast in the making! Cara (1/2G) completed an Australian levels gymnastics program where she ranked first overall! What an achievement (her brother Seth in 5/6H is also a very talented trampoline artist and surfer). Cara we are very proud of you. Perhaps we may be watching you at the 2020 Olympics in Tokyo.

ASSISTANT PRINCIPAL’S REPORT

The end of another wonderful term with the anticipation of an exciting one to follow. What with the Writer’s Festival, Life Education and the School Production coming along I’m positive that next term will be just as busy and as exciting!

PARENT TEACHER DISCUSSIONS

Parent/Teacher Discussions will take place in week 2 next term. As we have done the last few occasions you will need to go online to book an interview time with your child’s teacher. Interviews run for 10 minutes. It is important that all parents book a time to discuss your child’s successes and areas for improvement. I have included the information in this newsletter regarding the online booking process.

WORKING BEE

A big thank you to the large number of families who attended our Working Bee last Saturday. They certainly worked hard! Every bit of mulch has been spread on our gardens, plants were planted, softfall spread under play equipment, the sandpit filled up, storm drains emptied, garden edging installed, weeding and tidying of gardens and our Buddy seat cemented into place. It gives me great pride to see so many parents and teachers give up their Saturday morning to make this school a better place for the students!

Have a safe and relaxing holiday break and we will see all of your happy faces back on the Monday 11th July.

Andrew Veal
Assistant Principal

Wow!! What an exciting week for our basketball Teams!!

We had 3 teams competing in Grand Finals.

On Monday night the 5/6 Boys team played Templestowe Valley. The boys played their hearts out, narrowly losing by 2 points. Runners Up in what for most was their first season playing is a wonderful result. Well done boys and coach Sharon Lake.

On Tuesday night the 3/4 Boys team played Serpel Primary in their Grand Final. It was another very close game going into overtime. With 3 players fouled out the boys were left with only 4 players but kept trying to the end. They went down by 5 points, Runners Up in their very first season is a fabulous achievement. Great work boys and coach Paula Batt.

On Wednesday night the 1/2 Boys team played St Clements in their Grand Final. In yet another heart stopper, with all the spectators on the edge of their seats, the game went down to the wire! The boys held their nerve and won by 1 point!!! Premiers in their first season, congratulations boys and coach Krissa.

Music Corp

A warm hello to all the music lovers and enthusiasts at Templestowe Heights Primary. Musicorp is proud to be delivering instrumental music lessons at your school. The program is a great way for students to get started in music or to continue developing their skills alongside an expert teacher. As well as providing lessons Musicorp provides the instruments for students to learn on at home at no extra cost.

Through Musicorp students can learn Flute, Clarinet, Sax, Trumpet, Trombone, Guitar, Keyboard, Violin, Percussion and Drum Set. There are spots open for interested students. Please call 1300 858 911 for more information.

Well done to all the players who performed at the school open night!

Congratulations to special achievers this term for their stand out progress:

Oscar McNamara: For being extremely organised as well as a great player.
Abbey Wang: For great persistence with the flute.
Sid Bushell: Great start on the sax.

I look forward to hearing more great sounds as the students develop and seeing more names on the above commendations list.

All the best,

Shane Spellman - Instrumental Tutor
ENVIRONMENTAL NEWS:

Here at T.H.P.S the environmental team is working to make our school an eco-friendly place. Our class Nude-food competition, which is where you bring in a lunch with no rubbish has been successful this term. The class with the most Nude-Food lunches wins. This week’s winner is 1/2I!

As well as the Nude-Food, the environmental team also holds school clean-ups weekly. We walk around the school grounds and pick up rubbish. It is always great to see people joining in and helping us clean up the school grounds.

Our Veggie Garden:

Every so often the environmental team, harvests some veggies from the vegetable garden. We always sell the vegetables after school for a gold-coin donation, (all donations will help us upgrade the veggie garden itself).

The environmental team created a sign for the veggie stall, which was ready at our last stall. The sign itself looked amazing and with all the greens from the vegetables it looked even better. Thank you to all the people who helped out in creating this masterpiece!

Assemblies:

At assembly, the Environmental Captains including myself announce both the winning class of the Nude-Food competition and a random fact about nature, we already know plenty about the environment but now we’re asking you! If you happen to know something about the environment you can come and let us know! That’d make us feel like we’re in a very environmental-smart school!

So far, we’ve had a lot of people suggesting random facts, and those facts have got people talking during assembly, the fact that stood out to me the most was ‘Did you know that cows have 6 stomachs?’ Suggested by Maddie from 5/6N.

Natalia. J. W. (Environmental Captain)

Nude Food Tuesday

At our school we are trying to create less garbage in the yard and as you may know, there is a weekly competition called "Nude-Food". Nude Food is helping us reduce the amount of rubbish ending up in the yard and eventually in the ocean. So please help us by having a ‘nude food’ lunch every Tuesday!

Remember to use the same name and email address you used when you made your original booking.

If you require an **Interpreter** please contact the office.
CONGRATULATIONS TO ALL OUR BASKETBALL TEAMS!

We have had a fantastic first season of basketball at Templestowe Heights.

All our teams showed a huge improvement in skills and teamwork throughout the season and, most importantly, everyone had fun and enjoyed playing in a team with their friends. Three of our teams made it into their grand finals this week:
1/2 boys, 3/4 boys and the 5/6 boys teams.

WELL DONE TO EVERYONE FOR PARTICIPATING, AND THANK YOU PARENTS, MANAGERS AND COACHES FOR MAKING IT ALL HAPPEN!

MORE BASKETBALL PLAYERS NEEDED!

We are looking for a few more players to join our basketball teams for next season – terms 3 & 4.

We need more players for our prep miniball, our 1/2 girls and 1/2 boys teams, our 3/4 boys and our 5/6 boys teams.

If your child would like to join, please email me at sarahmabin@optusnet.com.au and fill out the expression of interest form in this newsletter.
