**A message from our Art Captains**

After announcing it at our most recent assembly, this week we will be starting a project called the *Art Building Children’s Dreams* (ABCD) art show. To participate, students can draw or paint themselves (A4 piece of paper) of what they want to be when they are older, illustrating their hope and dreams. The drawings and paintings will be displayed in the showrooms at Volvo Doncaster on the 15th September. Any member of the public can purchase the pictures with all money raised going to disadvantaged countries to help with children’s education. If you have any questions please don’t hesitate to ask Sarah and Ella in year 5/6.

**Scent challenge**

The Student Voice representatives have been busy organising a small fundraising event called the “Scent coin challenge.” The idea was presented by Tess (3/4T) and involves each class having an empty jar, with the aim of trying to fill it with Scent coins. Money raised from the Scent coins will go towards another outdoor bench that the students have selected.

**Our students want your feedback!**

Commencing next week, our ICT and House Captains will be venturing around our middle yard with iPads, asking parents and guardians to participate in a survey they have created on survey monkey. The survey will be evaluating our student social/emotional program - *You Can Do It!* So please don’t ignore our students, they’re not trying to sell you anything!

**Restorative Practices**

As part of our student wellbeing approach, all staff are trained in a method called restorative practices. This strategy aims at guiding and empowering children to identify triggers and to develop strategies when faced with conflict. This approach allows children to develop tools to describe their emotions which then allows them to problem-solve and resolve conflict. Here is an example of a script used when guiding students to deal with conflict:

---

**Individual Conference: Teacher and one student**

- What were you thinking about when you ........?
- What have you thought about since it happened?
- How were you feeling at the time?
- Did you do the right thing or the wrong thing?
- Who has been affected by what you did, in what ways?
- How can you fix things up?
- What can I do to help you?
Rocking out

Congratulations to our Year 5/6 rock band for performing at assembly. They performed the song MGMT so well, it must have been rewarding for the band members to see how engaged the audience was while they listened and watched. Another congratulations to Matt’s brother Chris, who finished 9th in the 50km walk at the Olympics.

How to help your child with spelling sessions

We had a huge turnout of over 40 parents and guardians for Celene Black’s information sessions that were recently held. The aim of these sessions was to support parents and guardians with an understanding of our recently introduced whole school approach to spelling and vocabulary. It was so pleasing to see so many attend these sessions, again outlining the strength of our school’s home-school partnership. What was also pleasing was the courage by many to ask clarifying questions when unsure during the sessions, something we actively promote amongst our students also. What we took away from these sessions was that there is great interest in our parent community for further news on the programs we are implementing. I hope we now know the difference between a long ē, a short ū and a consonant-consonant-vowel letter pattern!

Sign language Classes

On a Tuesday, this clever group of Foundation students have been spending half their lunch time, learning how to sign using Auslan (Australia’s sign language).

In no time at all, they have learnt the alphabet and the colours of the rainbow so they can sign and sing The Rainbow Song.

They are like little sponges, picking it up quickly and wanting to learn more!

Hello families and welcome to the Camp Australia Before and After School Care Update!

Last week we completed the rest of our Multicultural Week. On Wednesday we had Australia Day where the children enjoyed some freshly baked damper with jam and we had Vegemite sandwiches for afternoon tea. The sun was out that afternoon so we even went to the oval and kicked a footy!

Thursday was Egypt Day. We celebrated the culture of the Egyptians by having homemade hommus, we had a hieroglyphic writing experience, and the children played their own version of Capture the Flag but to get in with the theme of the day they played Capture the Pyramid. We also had a mummy wrapping race where the children paired up for teams and had to mummify each other and the first team to get through their roll of paper won. It was an equal draw for first place for Nathan 5/6M, Oscar 5/6M, Matilda 3/4T and Ruby 3/4T. Nathan took it upon himself to build his very own tomb and decorate it in hieroglyphics and he even made a mummy to lay inside the tomb!

On Friday we celebrated Italy Day. The children had the opportunity to participate in pizza making and got to eat some yummy Italian biscuits called “pitzella” that Amy 3/4G brought in that her Nonna had made. The children devoured the biscuits so I think it’s safe to say they enjoyed them! A massive thank you to Amy’s family for their contribution to our Italy day!
