### PRINCIPAL'S REPORT

#### Kids Hope Hot cross buns

As what has now become a tradition of our school, some of our students stepped into our kitchen and baked hot cross buns....for the staff! The students were supported by our amazing Kids Hope mentors; Judy, Sue, Charmaine, Ruth and led by Bev. Our Kids Hope mentors have formed a relationship with our school for over twenty years, supporting the wellbeing of some of our students and their families. Bev's husband Malcolm is the keeper of the hot cross bun recipe and refuses to let anyone else know. And the verdict? They were all devoured within minutes.

#### Class of 2019 tops

There was much excitement buzzing around the playground at recess on Wednesday as our year 6 students proudly wore their new “Class of 2019” jumpers and tops. The students had a voice in selecting the design and even though the temperature reached 28 degrees, there was no way any of the students were going to take off their fleecy new jumpers.

#### Kath Noonan – 40 years of service

Our crossing supervisor at the intersection of High St and Lynwood Parade has just achieved the milestone of 40 years of service. Kath has got to know so many families within our community over the years, some of which are second generation Templestowe Heights. This is an amazing achievement to her commitment to the safety of our school community and we will be thanking Kath at our last assembly for the year, next Friday 5<sup>th</sup> April at 1:30pm. For those that have had the pleasure of meeting Kath, this will be a great opportunity to say thank you. Our Federal Member for Menzies, Hon. Kevin Andrews will also be attending our assembly to congratulate her and present our school with a new Australian flag (our previous flag was torn in the high winds the other week).

## REACH Assessments...formerly known as ICAS

This year the (non-compulsory) ICAS tests for students in years 3-6 have been re-named REACH Assessments. Information regarding how your child can participate in these nation-wide assessments will come out in the first week back in term 2. Students who do participate in the assessments will do so during class time, the dates are:

Spelling week commencing 17 <sup>th</sup> June	Writing week commencing 17 <sup>th</sup> June
English week commencing 29 <sup>th</sup> July	Mathematics week commencing 5 <sup>th</sup> August

### Compass is coming

Just a friendly reminder that our online management system Saeko will be replaced by **Compass** on the first day of term 2. Next week all families will receive unique ID codes to log on and register. There is a free App to use or families can log on to a portal through their internet browser.

### Assemblies Monday Term 2

Put it in your diaries, that for term 2 assemblies will be on Monday at 2:50pm in the school gym.

### Asbestos Removal

In the middle Saturday of the school break (Saturday 13<sup>th</sup> April) asbestos will be removed from the school. Due to health and safety concerns, we strongly encourage all members of our community not to visit the school on this day.

### Evacuation Drill

Next Tuesday at 2:45pm we will be conducting an evacuation drill. This is part of our emergency management plan where we put into action the procedures we will follow in the event of a real evacuation. Following the drill we will review our procedures.

**Well done to our Junior School Councillors for organising this event**

## SCHOOL PARKING

### School Parking

Parking inspectors will be out on patrol around our school in the next couple of weeks as there have been a few reports of people failing to obey the traffic and parking laws. We all have a responsibility to ensure we abide by the traffic laws, as we want all children to be safe when entering or departing from their cars.

### Children In The School Carpark

A number of parents and students have been walking through the staff carpark. This is a dangerous practice as staff cars are constantly entering and exiting the carpark and children are often hard to see between the cars.

A reminder to all parents and guardians that the school car park is for staff only. Please do not use it for drop offs and pick ups or as a visitors car park during school hours.

The safety of our students is the responsibility of all of us. Please be safe around cars.

## LOST PROPERTY

Our lost property tub is once again overflowing with unnamed school uniform and lunch containers. All unnamed uniform not claimed by this Friday will be donated to the second hand uniform shop. All non school uniform will be disposed of or donated to charity. Please ensure all pieces of uniform, all lunch boxes, lids and drink bottles are clearly labelled to ensure their prompt return.

Thank you to all families that donate uniform to the second hand uniform shop. When donating please ensure items are clean and fit for use and are part of the official school uniform. Please do not donate stained or torn items.

## SCHOOL BANKING

Our volunteers must adhere to guidelines to enable the correct processing of all monies. **The guidelines state that all deposit slips and stubs must be completed before a deposit can be processed.** If slips are not completed, your child's deposit book and money will be returned to you for completion and will not be processed until the following week.
