School Ball Thursday 27th June

PRINCIPAL'S REPORT

Our Public Speakers

On Wednesday evening Lily (5/6G) and Quenya (5/6T) represented our school in the Templestowe Rotary Public Speaking competition. All year 5/6 students were invited to plan, draft, edit and present a speech on one of several categories. A preferential voting system was then conducted for all students in years 5 and 6 to elect the two students who would go on to represent our school at the competition. Lily's speech was titled "If I had three wishes" and she spoke about a pet dog, ending poverty and everyone to never stop wishing. Quenya's topic was "The best invention ever" where he talked about his passion for couches. We are so proud of Lily and Quenya, as they represented our school with distinction. Quenya came third overall, but the most inspiring part about our two orally competent students was hearing about their stories about becoming confident public speakers, in particular the persistence they both showed. Lily and Quenya will share their stories and speeches at this coming Monday's assembly.

Teachers as learners

Your child may have come home this week stating they have had several teachers from other year levels visit their classroom. As part of our strategic goal, all teachers have participated in a collegiate visit model, focusing on developing teacher skills and knowledge of writing. It has been rewarding for teachers to visit other year levels and see the continuum of learning that takes place prior to or after students leave their classrooms.

On Friday and Monday teachers from Park Orchards Primary School will be visiting our school to observe the teaching and learning of our maths program. Sharing best practice is important as a system if we want all government schools to be the best they can. Our staff should feel proud of all their hard work, that now many schools visit us due to our strong academic learning growth in the Manningham region.

Print-a-car Races

Throughout this term, some year 5/6 students have been testing cars they have designed on our 3D printers with the purpose of racing them. Tomorrow (Friday) at recess, these students will be racing their cars in the gym along a pre-made race track. The team judged to have the fastest car along with a detailed portfolio documenting their team's journey will then go through to the state championships and compete against other schools. A huge thank you to Ross Toogood for providing this rich and rewarding extra-curricular activity for students at lunch time throughout term 2.

School Ball

It's not long now until our biannual school ball. This community event celebrates the history of our school with an experience our students have experienced since our school opened in 1970. Don't forget there are some pre-loved clothes in the office for sale, tickets to purchase and dancing to practice at home. The event is on Thursday 27th June.

100 Nights

As a school we strongly value the positive reading habits at home. Our 100 Nights (or days) of reading awards are presented to students at our assemblies to recognise and celebrate students who have read for 100 nights or days.

**EXPRESSION OF INTEREST – MINIBALL
PRIMARY SCHOOL BASKETBALL COMPETITION**

2019 – TERM 3

Dear Parents

We are now asking for expressions of interest for children that would like to take part in the Bulleen Miniball Competition for Term 3.

This competition takes place **after school** on a Friday at Bulleen Stadium in Sheahans Rd and is aimed at teaching prep aged children the rules and techniques of Basketball while playing a game. Drop down rings are lowered for Miniball and are a good height for children of this age. Game start times vary each week and are between 4 – 5.30pm. The umpire and coaches are on the court throughout the game to explain the rules and instructions to the players. The game consists of 2 x 15 minute halves and is not scored. Learning the rules and how to play the game, whilst having fun, are the main goals of Miniball. No previous experience is necessary.

The season commences the first week back from School Holidays on Friday 19th of July and runs for the term.

We will need parents/relatives to help coach and manage the teams or it will not be possible. Please let us know if you can take on or help with either of these roles.

Cost - \$65 per child for the term (we will email you the link).

Uniform – players wear their school uniform – light blue polo and navy shorts/skort/pants and sneakers.

*If your child is interested in playing could you please fill out the form below and return to school ASAP.
