House Athletics Carnival - Monday 26th August

PRINCIPAL'S REPORT

Science Day

On Friday we hosted our annual Science Day event. The day was an opportunity to celebrate everything Science (physical, chemical, social) with activities and experiments. It was also an excuse to come dressed as a scientist. The students had the opportunity to participate in a session from the Fizzics science team. Thank you to Louise Wood for all your meticulous planning in making the whole day such a memorable event.

Art Show Entertainment – Save the date 4th September

There are only two more weeks until our biannual Art Show where we celebrate all our children as artists, exhibiting their work for all to see. We are excited to announce that on the opening night of the art show September 4th, 5.30 - 6.00pm we have a special guest that will be hosting a magic show in the multipurpose room! Our school choir have been working hard rehearsing a song that they will also be singing on opening night.

Please don't forget to pre-order your food for the event with pizza, sausage in bread and juice drinks available. There will be over 1000 pieces of children's artwork on display, including silent-auction art pieces and a jewellery making workshop for one adult and one child to attend, generously donated by one of our parents.

Netball

Congratulations to our mixed netball team who represented our school and district at the regional competition on Wednesday. Our team did exceptionally well, making it to the grand final where they played off for a spot to compete in the state finals. Unfortunately they were agonisingly close to a school that were state champions in 2018. We are so proud of Lachie(5/6W), Kai(5/6W), Brooke(5/6T), Isabel(5/6G), Georgia(5/6W), Eliza(5/6G), Bridget(5/6W), Athan(5/6P), Isaac(5/6T), Lachlan(5/6T), Quenya(5/6T) and Tristan(5/6P) for the enormous achievements they made. A huge thank you to Anna Hughes, Dylan and Jen for being super coaches for our students throughout the journey.

Cup Cake Day

Thank you to the Junior School Council and so many of our wonderful families for baking and running a hugely successful and calorie-rich cupcake event. The funds raised for the cupcakes will go to the RSPCA....

Athletics Day

On Monday all students will be taken by bus to our annual whole school Athletics carnival. The purpose of this day is to allow students the opportunity to participate in track and field events whilst representing their School House (*Goolagong, Bradman, Cuthbert* and *Newcombe*). I am looking forward to hearing our new House chants and for the first time all students will be sitting in their House Team and not their classes.

Father's Day

Next Friday from 8am onwards the *Parents & Friends* will be hosting our annual Father's Day morning tea event in the multi-purpose room. As a way of saying thank you, fathers or a special adult are invited to come along and have a hot chocolate and treat before making their way to their child's classroom at 8:45am. This is a free event and no tickets are required, simply turn up and enjoy!

Hats On Day Monday 2nd September

Templestowe Heights Primary is a Sun Smart school. This means from the 1st September until the 30th April all students must wear their school hats, either wide brimmed or legionnaire-styled. If your child has lost or misplaced their school hat, you can purchase one from the office or visit PSW at 12 Strathalbyn Street, Kew East.

Late Pick Ups

From time to time we understand that parents and guardian are running late to pick up their children from school due to circumstance such as traffic. During these times, please ensure you call the school as a courtesy as children often get distressed when they have not been picked up.

If you are going to be later than 3.45pm please arrange for someone else to pick up your child or make arrangements for them to be placed in after school care. Staff often have meetings after school and are unable to supervise children. Pickups after 4pm are not acceptable.

PARKING AROUND THE SCHOOL

We have had a number of complaints from concerned residents about parents and guardians parking over, and in driveways to drop off and pick up their children. This is of great concern as it places all of our children at risk when crossing driveways, and causes inconvenience for the residents trying to exit their homes. The safety of our students is the responsibility of all of us. As road users it is our responsibility to drive safely and follow the road rules. No one is exempt. Let's all do our bit to make drop off and pick up times safe for all our students.

FOUND

A ladies silver watch was found at the school disco on Friday night. If you think this may belong to you please come to the school office.

Drama Club News

Monday 19th of August saw the second round of mini drama plays this year. Students from year one to year six provided their parents, some staff members, their friends and many Foundation students entertainment for 30 minutes. The students presented two Classic Tales- The Wind and the Sun and Country Mouse and City Mouse. All students enjoyed performing to an audience and led these plays entirely by themselves. Congratulations to all involved.

Next Term the plan is put on a mini Christmas Pantomime and any expression of interest by all students is welcome.
