**The Art Show Continues Everyday After School Until Wednesday 11th
September 3.30pm to 4.30pm**

PRINCIPAL'S REPORT**Art Show**

Wow! That is the only word I can use to describe our Art Show grand opening. The talented magician The Amazing Danny kicked off the event with some magic that had our children captivated. When the ribbons were cut (by our Art captains Georgia, 5/6W and Alanah 5/6C) and the doors opened our community was met with a stunning display of over 2000 pieces of our children's art work, displayed across the two buildings.

A huge thank you to Joy Birrell for her leadership in planning such an amazing spectacle. It was inspiring to see how Joy was able to foster all our children's skills in the visual arts, the art work on display really is outstanding. We are very fortunate that we have such a supportive community, as almost every family attended on the night. A visiting art teacher from another school commented she couldn't believe the turn out for our event and while I still think it is remarkable, I certainly believe this is something we have come to expect from our community.

A big thank you to all the staff and parents who supported the organisation and actioning of this enormous event. We so often acknowledge our children as authors, readers, basketballers, and ballroom dancers however it is not often that we are able to provide an opportunity to celebrate our children as artists.

The Art Show is open every day after school to visit until Wednesday 11th September, so make sure you come along either for your first or one of many visits.

Act of Kindness

A massive thank you to Liz (*Cooper 3/4B and Alannah 5/6C*) for donating a cold water high pressure cleaner for our school. Liz was mortified when she observed our Groundsman Tony using what she described as a pressure cleaner that could "barely clean a bike." Thank you for such a generous donation, Tony has already fallen in love with the new machine and there is no excuse for the school not to be clean now!

NAPLAN Results in 2019

On Tuesday schools received their results for all students in year 3 and 5 who participated in the *National Assessment Program for Literacy and Numeracy* (NAPLAN). Over the past four years our results have shown significant increases in learning achievement. As a school that has been recognised as high-performing, we pride ourselves on being an inclusive school where every child has the right to participate in NAPLAN. Overall, this year's results across the four tests at each year level demonstrated a continued increase in most of the subjects/year levels, with a small few plateauing or decreasing slightly. On Friday students will be receiving their NAPLAN results in sealed envelopes, information about how to read the report will be attached to the results.

Character Strength of Leadership

On Friday Ava (FD) bravely got up in front of the whole school and read her prepared speech. In class she had been learning about the character strength of Team Work, where she was inspired to write about “why we should stick together”.

Hello Templestowe Heights Primary School!

If you don't know me, my name is Ava Robotham.

I am here to talk to you about the importance of sticking together.

Sticking together means we keep our eyes on each other.

I like sticking together because it is fun!

Sticking together is important because we don't want to be lonely.

So why do we stick together?

The answer is because we don't want to get lost!

Thanks you for listening ladies and gentlemen. Goodbye.

Welcome Soltan

Last week we welcomed another new member to our community. Soltan has commenced with us in 3/4W and has been so positive about his new school. We look forward to seeing Soltan grow as a learner.

Lego Robotics at the state finals

On Friday our Lego Robotics students competed in the Victorian Lego Robotics finals held at the Melbourne Show Grounds. Against a field of mainly independent schools, our students performed exceptionally well. In the end we finished 7th and 8th overall amongst the nineteen teams. Congratulations to *Alvin, Xenia (5/6W), Harry (5/6T), Gregory (5/6C), Renee, Georgia and Indi (5/6P)* we are very proud of you.

Child Safety Lesson

Today our students have all participated in a Child Safety lesson. The lesson is part of the Daniel Morcombe Foundation and supports our child safety policy. The purpose of the lesson is to empower and reinforce the message for children that it is their right to be safe. The link below will take you straight to the lesson.

<https://danielmorcombefoundation.com.au/australias-biggest-child-safety-lesson-2/>

Father's Day

Thank you to our *Parents & Friends* for organising and running our Father's Day Breakfast and Stall on Friday. The multi-purpose room was full of Dads, Grandfathers and special adults, however I'm not so sure they were the ones drinking the hot chocolates that were supposed to be for them! Thank you to all the staff that helped out during the morning, serving hot chocolates and treats.

P&F helped source the food for the event, most of which was generously donated or discounted by some supportive local businesses, and cooked/served by our teachers. We would like to thank Bakers Delight Macedon Plaza for providing 15 loaves of bread for the sausage sizzle, IGA Templestowe for donating/ discounting the 300 sausages, Dominos Bulleen for donating 60 pizzas and Egons bakery in Macedon Rd for donating 100 donuts for the donut wall. Fun without the sun!

Tips to staying dry this Winter.

Needing some help coming up with ideas on what to do with the children this wet season? Well, at Camp Australia, we're experts at having fun, regardless of what's happening with the weather. Rain, hail or shine we always have something fun for the children to participate in!

Here are a few wet weather activities to keep out of the rain:

1. Cook up a storm! In OSHC we have a Camp Australia Cookbook full of healthy fun recipes.
2. Make jigsaw puzzle from magazine pictures, postcards or photos. Glue the pictures onto cardboard and when the glue is dry, cut it into puzzle shapes. Then piece it back together!
3. Create a board game – let the children come up with the rules and teach their friends how to play.
4. Turn on the music, turn off the lights and have a disco or you could even have a dancing competition.
5. Dress ups! Who doesn't love dressing up as their favourite superhero, or TV character? The children could even write their very own scripts and put on a drama performance for their friends.

So much fun to be had in Before and After School Care. If you would like to learn more about how we operate our OSHC service, please visit before or after school and your Coordinator, will be available to answer any questions.

If you prefer to call us, you can contact our Customer Care on 1300 105 343. The team are available 24 hours a day, 7 days a week (except National Public Holidays).

We look forward to seeing you in service soon!

**EXPRESSION OF INTEREST – MINIBALL
PRIMARY SCHOOL BASKETBALL COMPETITION**

2019 – TERM 4

Dear Parents

We are now asking for expressions of interest for children that would like to take part in the Bulleen Miniball Competition for Term 4.

This competition takes place after school on a Friday at Bulleen Stadium in Sheahans Rd and is aimed at teaching prep aged children the rules and techniques of Basketball while playing a game. Drop down rings are lowered for Miniball and are a good height for children of this age. Game start times vary each week and are between 4 – 5.30pm. The umpire and coaches are on the court throughout the game to explain the rules and instructions to the players. The game consists of 2 x 15 minute halves and is not scored. Learning the rules and how to play the game, whilst having fun, are the main goals of Miniball. No previous experience is necessary.

The season commences the first week back from School Holidays on Friday 11th of October and runs for the term until Friday 6th December.

We will need parents/relatives to help coach and manage the teams or it will not be possible. Please let us know if you can take on or help with either of these roles.

Cost - \$65 per child for the term (we will email you the link).

Uniform – players wear their school uniform – light blue polo and navy shorts/skort/pants and sneakers.

*If your child is interested in playing could you please fill out the form below and return to school ASAP.
