PRINCIPAL'S REPORT

2020 Transition

On Tuesday we had the first of two transition sessions. The purpose of these sessions is to allow students the opportunity to meet their new teacher, in their new classroom with their new classmates. Thank you to all staff that made the session run so smooth and successfully. Thank you also to our families for supporting and trusting us in forming classrooms that will enable all children to flourish (academically, socially and emotionally) in 2020.

220 Library books missing!

We have over 200 library books that are overdue. If you have received a notification with overdue library books can you please do everything in your power to find and return them. Each library book costs approximately \$25 so it is so important that we encourage our school value of responsibility.

2020 School Captains – Gemma and Sidney

On Tuesday nine boys and seven girls showed enormous courage to stand up in front of 200 of their peers and present a speech outlining why they should be school captain in 2020. As a staff we were so proud of all the students for their preparation and delivery of impressive speeches. All students in years 3-5 then used a preferential voting system to vote. Congratulations to Gemma and Sidney who will be our 2020 School captains, we are looking forward to seeing you live our school values and be role models to all students.

Smart watches

As part of school and Department of Education policy, the use of mobile phones and smart watches are not permitted during school time (9.00am-3:30pm). Students are permitted to wear a smart watch, provided the call function is disabled/turned off or the sim card removed from 9.00am-3:30pm.

Florence Noonan

After over 40 years, crossing supervisor Florence Noonan is retiring. Florence was a past-family at Templestowe Heights Primary and has been supervising the intersection of High Street and Lynwood Parade for close to 41 years. She has become a familiar face to many families for many generations. Please make sure you say thank you to Florence and wish her all the best as she retires, where she will be able to spend more time watching her beloved North Melbourne Football team.

Christmas Carols

This evening we will be hosting our annual Christmas Carols from 6:30pm to 8.30pm. This is an opportunity for all our families to come along and celebrate what has been another successful (and busy) school year. I look forward to seeing everyone with their picnic rugs and festive cheer in a few hours' time.

Rhys Coulson

Principal

ENRICHMENT NEWS:

This year we again ran the Year 5/6 Maths Olympiad and Year 3/4 Maths Games problem solving competitions as part of the Enrichment programme.

These programmes provide students the opportunity to work on really challenging problems where:

- * the solutions are not immediately clear,
- * each problem requires a series of steps required to reach the correct solution, and
- * the problems can be approached through a number of different strategies- and the challenge becomes finding the most efficient- that being the fastest and most accurate.

Each year thousands of schools from all over Australia and New Zealand enter these competitions and this year, just over 34,000 students competed.

These are very tough programmes, and overall, our students did exceptionally well.

The following students competed the year 3/4 MATHS GAMES programme and were awarded an achievement certificate at assembly:

Templestowe Heights OSHC – Camp Australia

The Past week we have continued our Christmas activities. We have been designing and decorating our own elves and elf hats as children have been talking about their elf on a shelf at their home. We have also been decorating 3D Christmas tree ornaments, Christmas photo frame sand art and continued our Christmas colouring ins.

We really enjoy cooking in before and after care. Last week we all worked together to make pancakes!

Each day we have enjoyed participating in group activities such as night at the museum, silent ball and dance competitions. We also enjoy going outside to play tiggly on the playground, cricket and soccer.

With two weeks left of the school year, we will continue to extend our Christmas activities using our creativity and imagination with natural and recycled resources!
