### PRINCIPAL'S REPORT

#### Graduating Class of 2019

Last night we held our graduation ceremony for our 69 Year 6 students. It was a very special occasion as we celebrated the students' past seven years of formal education. Everyone was very understanding of the extremely hot gymnasium, with air fans blasting. The year 6 team of *Ross Toogood, Brittany Chipman, Julie Gibbs, Sylvia Petrovska* and *Sam Wang* did an amazing job of planning the event and were also supported by many other staff during the weeks leading up to and on the night.

During the event students were recognised for awards for their aptitude and contribution to various subjects and school life. Below are the names of the students who were the recipients. Congratulations to our graduating class of 2019, we wish you all the best as you enter your next stage of schooling (and life) and as I mentioned last night, you are always welcome back at Templestowe Heights Primary. I would also like to thank the 33 families who last night will also be finishing up their journey at our school. Thank you for making a footprint in the story of Templestowe Heights Primary.

#### Thank you

After four school terms, 41 weeks and 197 school days, another year is coming to an end! It has been a very rewarding year and I feel lucky to be part of a community that are so positive and welcoming. An example of our amazing community was the sight in our staffroom on Monday morning when parents *Jane, Julie, Sammy, Esther, Kristy, Donna, Oula, Kiraly* and ex-student *Sammy* all happily organising our levelled reading books. Over 1,800 books were catalogued during that morning.

Thank you to everyone; staff, students, parents and carers for the trust you place in us to provide an environment where your child can flourish. Enjoy the break and I wish all families are able to eat, drink and spend time with their favourite people this summer. I look forward to seeing everyone back on Thursday 30<sup>th</sup> January.

It is also a time where we say farewell to several other students who are moving on to new addresses and schools. We wish *Cameron P (3/4S)*, *Tara (1/2P)*, *Jess P (3/4J)*, *Adem (3/4S)*, *Amadeus (1/2P)*, *Nikita (1/2R)*, *Homa (1/2R)*, *Simar (FN)*, *Lexie (1/2B)* and *Chloe (3/4B)* all the best, their new schools are lucky to have you.

### Christmas Carols

And so the tradition continued last Thursday when we hosted our annual Carols night on the school oval. A sea of picnic rugs and singing ensued with a special visit from Santa Claus in a 1967 Camaro made the ending special. Thank you to Lisa Clark for hosting the event and for all the families that made the night memorable. I think the event was particularly special and embarrassing for Lily (5/6G) with her family connection to our special guest.

### Buildings & Grounds

This coming Saturday and Sunday asbestos will be removed from our garden shed nearest the community garden. At the beginning of January we will be receiving our new library building, ready for the start of school in 2020.

### Teachers v Students Netball

Congratulations to all the year 6 students and 11 staff who competed in the annual netball game. Thank goodness all staff completed the game without any injury, although the indemnity forms they signed prior to the match covered that.

### 2019 Reflection

As has been the tradition now for the previous three years (thank you Melissa Williams), here is a reflection newsletter that provides an opportunity for families to read the “year in review”. 2019 has been a big year and 2020 looks to be just as big and even more exciting. [Please click here](#) to read, you can also find the special newsletter on our website.

### Last School Assembly

Please be mindful that the final assembly will now be held **at 9:15am** in the gym due to the forecast of extreme weather. During this assembly we will farewell our graduating class of 2019. Students will be dismissed at 1.30pm.

### Welcome Warrandyte Primary students and staff

Templestowe Heights Primary has been identified as a relocation school for Warrandyte Primary. This means that on an Extreme or Severe Fire warning day, the staff and students at Warrandyte Primary will relocate to us. As a system we are only more than happy to support any other community. Students and staff will have complete access to our school and use vacant learning spaces for sessions. Tomorrow is the first time Warrandyte Primary will be relocating to us, we are not anticipating many students will attend, particularly being the last day of school for the year.

Hi Liz,

My name is Daniel. I recently got paired with Marek to be my second Guide Dog. My first dog had to sadly retire due to developing arthritis. His name is Willis and he still lives at home with me and my family now as a pet.

He and Marek are best mates. Marek has been wonderful to work with. He is incredibly playful and affectionate and great with my kids. My wife took some pictures of him so hopefully, they come through alright.

I just wanted to thank you for all the hard work you did with Marek. What you do is amazing and myself and my family are so grateful for all the hard work and obvious love you put into Marek.

Let me know if you have any questions about how he is doing or if you want to see any other photos.

Cheers,  
Dan

In the Past week in OSHC, we continued our Christmas activities. We have been making Christmas decorations and towers out of popsicle sticks, Christmas cards, paper roll snowmen. We have also enjoyed making beautiful drawings on scratch cards.

We have also enjoyed group games such as musical statues and musical chairs, as the children enjoy listening to their favourite songs.

With the school year coming to an end, Aki and I (Georgina) would like to thank parents and staff for their support throughout the year and also all the children. We hope to see you all back with us next year! We would also like to wish all the Grade 6's heading off to high school best of luck.
