PRINCIPAL'S REPORT

Foundation students first assembly

Congratulations to our new Foundation students for their first assembly. The gymnasium was a full house as many proud family members gathered to see their children receive starting school certificates. It takes a village to raise a child, so thank you to families and our Foundatoin team of Cassie Johnson, Ashleigh Danes, Jacqui Nicolazzo and Ross Toogood for making the school transition so successful.

Coronavirus

As you are all aware the World Health Organisation has officially declared the current novel coronavirus situation as a pandemic. As a government school, legally we must take our advice from the Department of Health and Human Services, the Victoria's Chief Health Officer, the Federal Government, and the World Health Organisation. As we follow the Department's Infectious Diseases policy, anyone presenting with flu-like symptoms (staff or children) will be sent home and required to seek medical advice.

Below is the relevant link to all the most up to date information to help you understand the Department of Education's current response to the novel coronavirus.

Sleep Hygiene

As either a parent or educator, we are frequently challenged by how best to develop our children's social and emotional tools. This recent article on the ABC News site has some interesting content that is certainly worth considering. You can access the entire article via this [link](#).

If you don't have time to read the entire article, here are some of the key points:

- When Dr Stuart Shanker (a professor of psychology and philosophy at York University) works with families, he reinforces that sleep is the number one restorative for all kids. For at least an hour before bedtime, there should be no screen time.

- Parents often will ask, "What should we do if our kids are not playing games or chatting with friends?" The simple answer is reading! Reading is a naturally self-regulating activity, as is listening to gentle music.
- Connecting with your child is also important. "We want to work hard, especially with the young children, on sleep hygiene, so that they enjoy the process of gradually unwinding. And nothing does this as effectively as that quiet time alone with your parent," he explained. "This is a special moment for them to feel safe and secure."

Welcome Oscar

We would like to welcome Oscar to our Templestowe Heights community. It has been pleasing to see Oscar settle in to his new school and make new friends quickly in his new class of 1/2B. We look forward to seeing you grow as a learner.

Don't forget - put it in your diaries our 50 years celebrations

This year we will be celebrating 50 years since our doors first opened as Templestowe Heights Primary. On Saturday 21st November we have scheduled a carnival day with rides, entertainment, silent auctions, stalls, food stalls and a 'Trip Down Memory Lane' exhibition. We will also be hosting an Alumni night time event for past students (who are 18 years or older) on Thursday 19th November. To register for our Alumni please contact the office on 9850 1796 or email at templestowe.heights.ps@edumail.vic.gov.au . Information can also be found on our website. www.templestoweheights.vic.edu.au .

Templestowe Heights Primary Mini Ball

Miniball is back for 2020! If you are new to THPS, you may have noticed that basketball is a very popular sport at our school. The Primary School Basketball program has been running at THPS for only 4 years but we now have 20 teams between grades 1 - 6, with 131 kids playing in 2020. That's about 40% of our students! Miniball is the precursor to the Primary School Basketball program and teaches the kids the basics of the sport. Each year we have around 3-5 miniball teams made up of prep students. It is a fun and inclusive sport which anyone can have a go at. It will teach the kids hand eye coordination and ball skills, how to be part of a team and good sportsmanship. They will also make new friends.

Miniball will be starting next term for any Foundation kids interested in learning how to play basketball. No previous experience is required. We will be sending home a form and will also put it in the newsletter.

Miniball takes place **after school** on a Friday at Bulleen Stadium in Sheahans Road, Bulleen and is aimed at teaching prep aged children the rules and techniques of Basketball while playing a game. Game start times vary each week and are between 4 – 5.30pm. The game consists of 2 x 15 minute halves and is not scored. Learning the rules and how to play the game, whilst having fun, are the main goals of Miniball. We are hoping to fill a girls team and a boys team for each class.

The season commences the second week back from School Holidays on Friday 24th of April and runs for 10 weeks.

We will need parents/relatives to help coach and manage the teams or it will not be possible. Please let us know if you can take on or help with either of these roles.

Cost - \$65 per child for the term (we will email you the link to register and pay in a few weeks).

Uniform – players wear their school uniform – light blue polo and navy shorts/skort/pants and sneakers.

Expression of Interest Registration – is free using this link: <https://www.trybooking.com/BJAJB> as soon as possible so we have an idea of player numbers.

***If your child is interested in playing could you please use the link ASAP so we have an idea of numbers and how many teams we need to register.**

If you have any questions, please ask us at school or email sarahmabin@optusnet.com.au
