PRINCIPAL'S REPORT

100 Days Celebrations

While I understand it is well overdue, today our Foundation students finally got to celebrate being at school for 100 days. The children got dressed up with a theme of something to do with 100, a special certificate, fun games throughout the day and what wouldn't be complete without a covid-safe party. Congratulations to

all our 2020 Foundation students for the resilience they have shown in commencing school in such unique times. A big thank you also to teachers Cassie, Ash, Jacqui and Ross, as well as education support team members Ashleigh and Angelique for leading and guiding our students through this year. Judging by the photo, it looks like this year has aged our Foundation teachers!

Capital Works Project at THPS - We want to hear from you

As detailed in last week's newsletter, our school has been funded \$1.45 million to plan for and design a **potential** capital works project to accommodate the projected increase in student enrolment numbers anticipated in the next 5-10 years. It is important that during the initial phase of the project, that our community provide feedback on our current school facilities. Please access the link below to complete a short survey, asking you to provide your opinion on the state of our current buildings and grounds.

Class requests for 2021

As part of the process of creating classes for 2021, if parents or guardians have any special requests relating to their child's grade placement for 2021, that they place it in writing to me by Wednesday 4th November. As part of our class formation process, teachers will facilitate a process where we ask all children to list five friends, where we are able guarantee that every child will have at least one of those five friends in their class for the following year, as per policy.

Requests may relate to friendship groups, learning issues or family matters. Requests cannot be made regarding individual teachers and parents are unable to select their child's friends on their behalf.

Colin Costorphin

Colin Costorphin was a parent at Templestowe Heights Primary and served as School Council President from 1995-1998. During his time as both parent (to Ross and Julia) and Council President, Colin was an active member of our community. He had a reputation of someone everyone looked up to; personable, respectful and always willing to give of his time with a vision of wanting our school to be the best. While he was a talented cricketer who represented Victoria, Colin immersed himself in school-life attending every working bee, organising school social events and coaching at the local Auskick centre.

Colin was someone who embodied our school values of **respect, responsibility, courage** and **persistence**. Tragically, Colin passed away in 1998 and his loss deeply impacted the school community. As a result, the school wanted to honour and remember both the vast contributions Colin made, but also more importantly the strong values that his character represented. Every year we celebrate Colin's legacy and recognise one year 6 student who over the course of their time at Templestowe Heights Primary exemplified the contributions and values that Colin exhibited. An honour board located in the administration area lists the names of the students that have been distinguished with the honour of being awarded the Colin Costorphin Award.

Attached to this newsletter is a form for members of our community to nominate a year 6 student for demonstrating our school values and contributing to school-life to an exemplary standard. A panel made up of our current School Council President David Barnes, a year 6 teacher, Andrew Veal and myself will then deliberate to make a decision on the candidate who best demonstrates our school's values and contributions.

Public Holiday Tomorrow

As a reminder tomorrow is a public holiday, to say thank you to our amazing front-line health workers during this challenging time. Enjoy the rest and I hope the best team wins on Saturday.

FROM THE OFFICE

Late arrival and early departures

All students arriving late to school **after 9.15am** must report to the office to collect a late pass before proceeding to class. Parents of student who are picking them up before the end of the day must report to the office to collect them.

Please do not record late arrivals and early leavers on your Compass. This will be done at the office as students arrive and leave to ensure their arrival and departure time is correctly reflected on our system.

Second hand

The second hand uniform shop will be closed for the remainder of the year. Please do not bring donations to the office.

Lost property

Our lost property tub is overflowing with items, many of them unnamed. Please ensure all clothing, lunch boxes and drink bottles are clearly named so that they may be promptly returned. The tub will be placed outside the front doors of the school office after school until 3.45pm.

Change of Contact Details

It is vital that the school have your most up to date contact details at all times. Please email the school if you have changed your address or contact numbers or your family circumstances have changed.

PARENT OPINION SURVEY

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst all parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour, student engagement and experiences of remote and flexible learning. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year, the Parent Opinion Survey is open now until **Friday 13th November**.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English.

2020 COLIN CORSTORPHIN MEMORIAL AWARD

Each year the school confers its highest student honour, The Colin Corstorphin Memorial Award, upon one student from Year 6.

Colin Costorphin was a parent at Templestowe Heights Primary and served as School Council President from 1995-1998. During his time as both parent (to Ross and Julia) and Council President, Colin was an active member of our community. He had a reputation of someone everyone looked up to; personable, respectful and always willing to give of his time with a vision of wanting our school to be the best. While he was a talented cricketer who represented Victoria, Colin immersed himself in school-life attending every working bee, organising school social events and coaching at the local Auskick centre.

Colin was someone who embodied our school values of **respect, responsibility, courage** and **persistence**. Tragically, Colin passed away in 1998 and his loss deeply impacted the school community. As a result, the school wanted to honour and remember both the vast contributions Colin made, but also more importantly the strong values that his character represented.

This Award, which is sponsored by the School Council, takes the form of a book prize (as do the school's academic Awards) but it carries a greater significance in that the name of each child conferred with the Award is recorded on the school's Honour Board.

To be eligible for the award a child must be in Year 6, have a demonstrated record of care, concern and acceptance for and of others, demonstrate the personal attributes of sound work habits, reliability, acceptance of responsibility, good organisational skills, initiative and approachability and have participated in a variety of school activities.

Any individual member of the school community (i.e. parent, staff member or student) or any affiliated group of the school community can nominate a student for this Award.

Nominations, which are to be made on the prescribed nomination form available from the school office, must address each of the selection criteria.

After a short-listing process the Award will be conferred by the School Council. This Award acknowledges the attributes of personal qualities, commitment and involvement as effectively demonstrated by our school's friend whose name it bears.

The closing date for nominations is Monday 1st December, 2020.
