Regional Swimming Competition

On Monday we had 30 students in year 3-6 represent Templestowe Heights Primary at the regional swimming competition. I was most proud of the way all our students showed respect and supported one another in between and during events. Well done to all students for giving it their best effort and to Camilla (3/4J), Layan(3/4J) and Rosie(5/6C) who will now progress to the next round.

Connect-Up School House Sessions

As part of our revamped triweekly assembly schedule, every three weeks students will participate in Connect-up sessions on a Friday afternoon. The purpose of these sessions are to provide students with an opportunity to connect with students from all other year levels from their own School House (Cuthbert, Goolagong, Newcombe & Bradman). The activities the students participate in during these sessions are fun and encourages students to use teamwork and creativity. These sessions are facilitated by our School House Captains, providing them with leadership opportunities. It was really exciting to see the students buzzing in their allocated Connect-up sessions, chanting their House song and having a laugh while trying to move a hula-hoop around a circle of connected hands. Thank you to the school's wellbeing team, led by Celene Black and Julia Laidlaw for the planning and preparation of such a successful ongoing event.

Parent/Carer-Teacher Discussions

Throughout this week, parents and carers have had the opportunity to meet with their child's teacher in the first of our two formal parent/carers-teacher discussions. For some families, it will finally be placing a face to a name, for others it will be reconnecting from previously having their child taught by their 2021 class teacher. Regardless, it is a chance to build a positive home-school partnership and ensure that everyone is on the same page with how we can all support our most prized assets in achieving to the best of the capabilities.

Parents & Friends Meeting

This Friday 26th February our *Parents & Friends* will be holding their first meeting for the year. The face to face meeting will be held in the multi-purpose room and anyone is invited to attend. All participants will need to sign an attendance sheet in the multipurpose room before entering. Thank you to our wonderful parents and carers who have put their hand up to be class reps for 2021. This meeting up will provide further information on the role of class reps and how parents and carers can become involved in our school. The session can also be joined in via WebEx on room number: **579 980 226**

SCHOOL COUNCIL ELECTIONS

22nd February 2021

Templestowe Heights
Primary School

SCHOOL COUNCIL ELECTIONS

The Templestowe Heights Primary School Council is an elected body comprising 13 members: 7 parents, 4 DET employee members, 2 possible co-opted members and the Principal as Executive Officer. The term of office is 2 years. Each year, half of the Council comes due for election.

The School Council is a legally formed body that is given the power to set the key policies and directions of the school within centrally provided guidelines. In doing so, the School Council is able to directly influence the quality of education that the school provides for our students.

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

If you decide you would like to nominate for school council, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

Nomination forms are available at the office. You can either pick one up or call the office and we will send one home.

School Council meets at 7.30pm on the third Wednesday of each month. It operates sub committees in Finance, Community Engagement, Policies & Grants and Buildings & Grounds.

I hereby call for nominations for the Templestowe Heights Primary School Council.

The terms of office, membership categories and number of positions in each category open for election are as follows:

Parent Members

No. of positions: 3

Term of Office: 2 years

Nomination forms may be obtained from the school office and must be lodged by 4.00pm on Thursday 26th February.

If nominations exceed vacancies, an election will be held. The timeline is as follows:

February 22 nd	Call for Nominations
March 1 st	Nominations Close 4pm
March 3 rd	Ballot Distributed
March 12 th	Poll Closes at 4pm
March 15 th	Declaration of the Poll

The first meeting for the new School Council will be Wednesday 17th March, 2021.

SCHOOL COUNCIL ELECTIONS - INFORMATION FOR PARENTS

WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

WHO IS ON THE SCHOOL COUNCIL?

For most primary school councils, there are three possible categories of membership:

- A mandated elected Parent category – more than one-third of the total members must be from this category. Department employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- A mandated elected school employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional community member category – members are coopted by a decision of the council because of their special skills, interests or experiences. Department employees are not eligible to be community members.

A small number of school councils have Nominee members.

For all schools with a Year 7 and above cohort, there is an additional category of membership:

A mandated elected student member category, with two positions.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

WHY IS PARENT MEMBERSHIP SO IMPORTANT?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable life skills and knowledge to the role. Councilors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. What you do need is an interest in your child's school

and the desire to work in partnership with others to help shape the school's future.

HOW CAN YOU BECOME INVOLVED?

The most obvious way is to vote in the elections, which are held in Term one each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

WHAT DO YOU NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term one each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

Department employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election.

You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

REMEMBER

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

Contact the Principal for further information.
