

Dear Templestowe Heights Primary School families,

Templestowe Heights Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This, along with your financial contributions have made a huge difference to our school and the programs we can offer.

Within our school this support in 2022 allowed us to purchase books for our new Library, Decodable readers for classrooms, purchase of classroom smart tvs, and new iPads & Notebooks.

Financial Support for families

Templestowe Heights Primary School understand that some families may experience financial difficulty and offers a range of support options, including:

- **Camps, Sports & Excursions fund (CSEF)** may be available to assist with costs associated with Camps and excursions for families who hold a valid, means-tested concession card. Application forms are available from the school office. Parents who currently receive the CSEF and who remain eligible will automatically have their 2021 application processed by the School.
- **State Schools' Relief** applications are submitted by schools. The program covers costs such as new school uniforms, shoes, books and more for disadvantaged students.
- **Second hand uniform**
- **Local Community support organisations** (ie Doncare)

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact our Business Manager *Margaret de Haas* or Principal *Rhys Coulson* on 9850 1796 or email templestowe.heights.ps@education.vic.gov.au

Parent Payment forms & payment methods

Please find attached the individual parent payment forms for you to complete and return for your child/rens appropriate year level. Part A relates to individual Curriculum Contributions per *student* and Part B to Other & Tax deductible Contributions per *family*.

We offer a variety of payment options to assist our families:

- EFTPOS including Visa & MasterCard
- BPay
- Cash/cheque

Refunds

There will be instances when parents enquire about refunds of payments for a variety of reasons including student illness or medical condition, being unable to attend an activity on the day due to unforeseen circumstances, or leaving the school. All requests for refunds must be made in writing (via email) and are subject to the discretion of the Principal on a case by case basis, taking into account the individual circumstances. Refunds are not granted automatically upon request. The school will assess every request on its merit. Refunds will be given only if by doing so the school will not incur a cost. Refunds will be given by crediting the amount to the student's school account to be used to pay subsequent charges, or directly into a nominated bank account. No refunds can be made by cash or cheque.

For further information on the Department's Parent Payments Policy please see a one-page overview overleaf.

Yours sincerely,

Rhys Coulson
Principal

Kai Robotham
School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

Foundation students

Student Name: _____

PART A – (PER STUDENT)

Curriculum Contributions - items and activities that students use, or participate in, to access the Curriculum	Amount
Mappen (curriculum platform) subscription	\$18.00
Essential Assessment Subscription	\$7.50
Stationery Items	\$73.00
Purchase of ICT equipment (iPads/notebooks) for student use & repairs to ICT equipment	\$25.00
Photocopying & printing of worksheets and learning materials	\$10.00
Classroom take home readers	\$20.00
Tissues for classrooms	\$4.00
Chair-bags	\$5.00
