## PRINCIPAL'S REPORT

### Swimming Carnival

On Monday all students in year 3-6 participated in our annual swimming carnival held at Watermarc. Students were able to compete in 25m and 50m races, while everyone moved through fun water activities aimed at ensuring all students could enjoy the day.

Thank you to Jaime Tan for organising such a successful day. Some of our students in years 4-6 will now represent our school at the district swimming competition. Refer to Ms Tan's article further on in this newsletter.

### Parent/Carer Information Sessions

Last night we ambitiously held two parent/carer information sessions. Our Foundation Team presented online, providing our newest families with relevant information that will help support them as their child transitions into school. The link to the presentation will be emailed to Foundation families shortly.

Parents and carers who attended our Year 1-6 Information session got a slight shock when they arrived...they had to participate in lessons! Over the course of one hour, our parents and carers became the students, being taught lessons involving maths, writing and geography. The purpose was to showcase expectations, resources, content and strategies we use for our students during lessons. It now means when their children come home from a big day at school, parents and carers are able to ask the “in the know” questions such as “Did you remember to chin your whiteboard?” or “How much turn and talk did you do today?”

Thank you to our amazing teachers for making these events possible, and to our families who were able to come along and learn about our approach to teaching and learning.

## Author Isabel

In a first ever event, we have a student's published book in our library. Isabel (3RR) has published a book "Just us and the Ramp", about a girl who wants to spend more time with her parents. Students can now borrow her book, a great example of someone persevering with their passion. We are proud of you Isabel!

## Student Voice Leaders

Congratulation to our students who were successfully nominated to represent their classes as Junior School Councillors and Environmental Leaders for semester 1. The badge presentation will be at our whole school assembly on Friday 27<sup>th</sup> February at 2:45pm.

## Child Safety

Child Safety is a critical element of our work at Templestowe Heights Primary and is incorporated into every aspect of our day-to-day work with students. Many of our child safe practices will be very familiar to school families including, but not limited to:

- High visibility of staff members on playground supervision.
- Students always visiting the toilets in pairs.
- Prep students being walked from and to their classrooms for before/after-school care.
- The requirement for all visitors who might come into contact with students to have current Working with Children Checks.
- Ensuring safe food eating practices.
- Encouraging safe traffic and pedestrian behaviour in and around the school, particularly at busy drop off and pick up times.

We are always looking to improve our practices in this area, whether in accordance with the Department of Education's Policies or based on our own observations.

The annual CSEF amount per student is \$400 for all school students.

## HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below. If you applied for CSEF at our school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.
