ASSISTANT PRINCIPAL'S REPORT

End of Term 3

As Term 3 comes to a close, I would like to thank our students, staff and families for their support throughout another busy and productive term.

Our students have worked hard across the term and have had many opportunities to learn, perform, compete and represent our school. Thank you to our staff for the care, time and energy they bring to their work each day, and to our families for continuing to support the school and your children's learning.

A reminder that students will be dismissed at 2.30pm tomorrow. Term 4 begins on Monday 5th October.

I hope everyone enjoys a safe and restful holiday break and has the opportunity to spend time with family and friends. We look forward to welcoming everyone back for Term 4.

School Ball

It was wonderful to see our families and students at the school ball last week. The many weeks of dance practice paid off, and our students were very proud of their achievement. I hope everyone enjoyed the Macarena and the Cha Cha Cha! Thank you to the staff who supported this tradition. Well done everyone!

Assistant Principal

Lost Property

Our lost property tub is overflowing with unnamed school uniform and lunch containers. All unnamed uniforms not claimed will be donated to the second hand uniform shop. All non school uniforms will be disposed of or donated to charity. Please ensure all pieces of uniform, all lunch boxes, lids and drink bottles are clearly labelled with your child's full name if possible to ensure their prompt return.

Early pick ups

Families wishing to pick up their children early from school must report to the office and sign their child out using the Compass kiosk before collecting them from class.

For the safety of all students, we kindly ask families collecting their children at the end of the school day not to arrive or enter the school grounds prior to 3:00 pm. This helps us maintain a safe and orderly environment for students and staff during the school day.

School Uniform

In recent weeks we have noticed an increase of student not wearing the correct school uniform. Please ensure when you child is dressing for school that they wear the navy and sky blue uniform with white or navy socks and the appropriate foot wear.

YEAR 6 AVIATION

Throughout this term the Year 6 students have been learning about how aeroplanes fly and built their own balsa wood planes to fly. Last week this aviation unit concluded with a special visit from QANTAS pilot Craig (also a father of Avery in 6AS) who spoke about his journey as a pilot, sharing some amazing photos and videos. We were also lucky enough to have a flight simulator set up for students to try, courtesy of ex-student Miller (brother of Harper in 5LS). Craig took students how to fly an Airbus A330 from take off at Melbourne airport.

A huge thank you to both Craig and Miller for their expert help with this lesson, the students loved it!
